Sir:

In reply to the January 29, 2003 Office Action, please amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel claim 21 without prejudice to or disclaimer of the subject matter contained therein.

Please replace claim 1 as follows:

1. (Amended) A display, comprising:

a carrier body that defines at least one channel, the at least one channel extending in a direction of extension;

at least one particle disposed in the at least one channel; and

a controller that moves the at least one particle along the direction of extension of the at least one channel,

wherein the at least one particle provides maximum color reflection when disposed at a top end of the at least one channel, and provides minimum color reflection when disposed at a bottom end of the at least one channel.
